ZPD-10482	Znode.Engine.Shipping	**File:** ZnodeShippingUSPS.cs **Method:** GetUspsSettings()	GetUspsSettings method is marked as obsolete. Please use the overload with parameter type of UspsAgent and PortalShippingModel and return type of UspsAgent	Puja Bhalerao
		File: ZnodeShippingUSPS.cs **Method:** CalculateShipSeparatelyItems()	The parameter type UspsAgent has been changed to UspsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUSPS.cs **Method:** GetSeparateItemShippingRate()	The parameter type UspsAgent has been changed to UspsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUSPS.cs **Method:** GetWeightInOunces()	The parameter type UspsAgent has been changed to UspsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUSPS.cs **Method:** LogsActivityShipSeparatelyItemsUsps()	The parameter type UspsAgent has been changed to UspsRestAgentModel	Puja Bhalerao
		USPSAgent.cs	The class has been marked as obsolete. Please use the newly created USPSRestAgent.cs for USPS shipping services.	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** GetUPSCredentialsSetting()	The parameter type UpsAgent has been changed to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** GeneralSetting()	The parameter type UpsAgent has been changed to UpsRestAgentModel. The return type of method has been changed from UpsAgent to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** CalculateShipSeparatelyItems()	The parameter type UpsAgent has been changed to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** GetItemShippingRateSeparately()	The parameter type UpsAgent has been changed to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** SetWeightUnit()	The parameter type UpsAgent has been changed to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** LogsShipSeparatelyItems()	The parameter type UpsAgent has been changed to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** GeneralSettingForLTL()	The parameter type UpsAgent has been changed to UpsRestAgentModel. The return type of method has been changed from UpsAgent to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** HandleSpecialShippingAddress()	The parameter type UpsAgent has been changed to UpsRestAgentModel. The return type of method has been changed from UpsAgent to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** MapShipItemsDimensionsForEstimateRate()	The parameter type UpsAgent has been changed to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** GetUPSEstimateShippingRateForLetterPackging()	The parameter type UpsAgent has been changed to UpsRestAgentModel	Puja Bhalerao
		File: ZnodeShippingUps.cs **Method:** SetPackageDetails()	The parameter type StringBuilder has been removed and the parameter type UpsAgent has been changed to UpsRestAgentModel	Puja Bhalerao
		UpsAgent.cs	The class has been marked as obsolete. Please use the newly created UpsRestAgent.cs for UPS shipping services.	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** GetFedExCredentials()	The parameter type FedExAgent has been changed to FedExRequestAgent. The return type of method has been changed from FedExAgent to FedExRequestAgent	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** CalculateShipSeparatelyItems()	The parameter type FedExAgent has been changed to FedExRequestAgent.	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** GetShipSeparatelyItemsShippingRate()	The parameter type FedExAgent has been changed to FedExRequestAgent.	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** GetShipToGetherItemRate()	The parameter type FedExAgent has been changed to FedExRequestAgent.	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** LogsActivityShipSeparatelyItems()	The parameter type FedExAgent has been changed to FedExRequestAgent.	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** SetPackageLineItem()	The parameter type FedExAgent has been changed to FedExRequestAgent. The return type of method has been changed from FedExAgent to FedExRequestAgent	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** GetFedExDetails()	The parameter type FedExAgent has been changed to FedExRequestAgent.	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** MapShippingDetails()	The parameter type FedExAgent has been changed to FedExRequestAgent. The return type of method has been changed from FedExAgent to FedExRequestAgent	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** SetFrightPackageLineItem()	This method has been marked as obsolete.	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** MapShippingOriginToFedEx()	The parameter type FedExAgent has been changed to FedExRequestAgent. The return type of method has been changed from FedExAgent to FedExRequestAgent	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** MapShippingDestinationToFedEx()	The parameter type FedExAgent has been changed to FedExRequestAgent. The return type of method has been changed from FedExAgent to FedExRequestAgent	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** GetFedExDiscountWeightUnitDimensionUnitCurrencyCode()	The parameter type FedExAgent has been changed to FedExRequestAgent. The return type of method has been changed from FedExAgent to FedExRequestAgent	Puja Bhalerao
		File: ZnodeShippingFedEx.cs **Method:** MapFreightShippingDetails()	The parameter type FedExAgent has been changed to FedExRequestAgent. The return type of method has been changed from FedExAgent to FedExRequestAgent	Puja Bhalerao
		FedExAgent.cs	The class has been marked as obsolete. Please use the newly created FedRestExAgent.cs.cs for FedEx shipping services.	Puja Bhalerao
	Znode.Engine.Api	**Web.config**	Removed the key FedExGatewayURL along with the value	Puja Bhalerao
			Removed the key UPSGatewayURL along with the value	Puja Bhalerao
			Removed the key UPSAddressValidationURL along with the value	Puja Bhalerao
			Removed the key USPSShippingAPIURL along with the value	Puja Bhalerao
			Removed the key USPSWebToolsUserID along with the value	Puja Bhalerao
			Removed the key UPSGatewayProductionTimeInTransit along with the value	Puja Bhalerao
			Removed the key UPSGatewayDevelopmentTimeInTransitURL along with the value	Puja Bhalerao
			Removed the key UPSGatewayProductionTimeInTransitURL along with the value	Puja Bhalerao
	Database	**ZnodeShippingServiceCode.sql**	The shipping service with code "310" has been marked inactive.	Puja Bhalerao
